THE BOY SCOUTS ASSOCIATION,
IMPERIAL HEADQUARTERS,
25, BUCKINGHAM PALACE ROAD,
LONDON, S.W. 1.

17th. September, 1930.

To Oversea Secretaries.

I attach herewith particulars to date of the arrangements for the World Rover Scout Moot to be held at Kandersteg at the end of July, 1931.

The quota for the British Empire Contingent is 1200 Rover Scouts. I should be very grateful if you would let me have as soon as possible the number of Rover Scouts in your Branch who wish to attend the Moot.

It will be noted that when the final application is made by your Branch and accepted, 10 Swiss Francs (eight shillings) have to be paid for the entrance fee of each Rover Scout.

It is desired to have the number of Rover Scouts from your Branch so that we can see whether it will eventually be necessary to give a quota for your Branch on the basis of the last census.

In order that arrangements may go ahead, I should be very much obliged if you could let me have your numbers by November 30th at the latest.

Some spare copies of the particulars are enclosed.

Harold Legat.

(Harold Legat)
Acting HEADQUARTERS COMMISSIONER FOR OVERSEA SCOUTS AND MIGRATION.

WORLD ROVER SCOUT MOOT, 1931.

The World Rover Scout Moot will be held at Kandersteg, which is in the Bernese Oberland district of Switzerland, from Thursday, July 30th, 1931 to Friday, August 7th, 1931 both dates inclusive. The date of arrival will be Wednesday, July 29th. and the date of departure Saturday, August 8th.

The quota for the British Empire Contingent is 1200 Rover Scouts and applications to attend should be sent to County Secretaries.

There will be no change over and the whole contingent will stay the whole period. There will be no private or auxiliary camps at Kandersteg at the time of the Moot owing to consideration of space.

The cost for a Rover Scout at the Moot will be –

10 Swiss Francs – entrance, to be paid on acceptance of application.
44 " " – for food (11 days including arrival and departure at 4frs. a day.)
12 " " – for excursions during the Moot.

This comes to a total of 66 Swiss Francs which is about £2..12. 0. If reference is made to the January 1930 "Scouter" it will be noted that the fare from London to Kandersteg and back by the cheapest route, via Tilbury, Dunkirk and Berne, 3rd Class throughout, is £4. 15. 0. This gives a total cost for a Rover Scout to and from London of £7. 7. 0. so far as can be at present foreseen.

Rover Scouts attending the Moot will take their own tents and camping kit.

It will later be possible to arrange tours in Switzerland before or after the Moot for those Rover Scouts who wish, but the cost is not included in the above figure.
